ICRM-L: Job Postings, Dues Increase Discussion and Frappr *By Peter Kurilecz, CRM*

Are you looking to make a job change? Looking to move up the career ladder? Well, do not forget to check out the ICRM-L Yahoo Group for position vacancies. Since August 2005, 27 positions have been posted to the group. And, all positions posted state CRM preferred, desired or required. Some posted positions will accept applicants who are working towards the CRM designation. The ICRM-L group activity (number of messages sent) is generally pretty light, but January saw an increase in activity as group members discussed the recent dues increase. Group membership has increased to 190 members with five new members.

Frappr – ever wonder where other CRMs are located? Ever wonder what your colleagues look like? Well, wander over to this link: <http://www.frappr.com/icrm> and then add yourself to the map. It is free.

How to join ICRM-L. ICRM-L is open to all CRMs and qualified candidates. It was established in June 2001 as a way for CRMs and candidates to ask questions and to share information. To join the group, point your browser to: <http://finance.groups.yahoo.com/group/ICRM-L/>

Just click on the “Join This Group” button, if you have a Yahoo ID, you will be asked to log in and to fill out information on the signup page. The Yahoo ID is required if you wish to access archived messages or other information found on the group site.

ARMA-CK News

First Chapter Meeting

The Central Kansas Chapter of ARMA was officially dedicated as a chapter on Sept. 12, 2006. Tom Killam from ARMA International Headquarters and Craig Kelso, Regional Coordinator were on hand for this special occasion. There were close to 40 attendees for the dedication and seminar on computer forensics.

Underground Vaults addition nears completion

Underground Vaults & Storage is nearing completion on a 27,000-square-foot addition to its Wichita facility, 3333 N. Mead.

The new wing will open in December and will add about a quarter more space to the records storage facility.

The company built the addition because of increased demand in the Wichita area, said Jim Ontjes, vice president.

Underground Vaults & Storage, Inc. is a privately held records and information management company established in 1959 in Hutchinson. The company is best known for its storage facility in the salt mines underneath Hutchinson.

Koch Industries

Koch Industries is the winner of the prestigious 2006 Iron Mountain/ARMA International award for Excellence in Records and Information Management - Innovation and Improvement category for initiating a change in corporate RIM education and culture. During the month of April, which is RIM month, Koch held 15 different seminars in 40 educational sessions.

Seminar Fee Increase

TO: All ARMA Central Kansas Members

FR: Bryan Quilty, President, Central Kansas Chapter – ARMA International

RE: Meeting Rate Increases

Effective Jan. 12, the cost of our regular meetings will increase. This increase will help the Chapter ensure that costs for our meeting location, meals, presentation equipment, and any applicable speaker's fees are covered.

As a board we take increases in costs to our members seriously. We feel that these increases will allow us to continue to provide meetings in a quality setting, and obtain the high caliber speakers our membership demands.

Below is a chart that explains the new fees. If you have any questions, please contact me or any Board member.

Member	\$18.00
Non-Member	\$23.00
Student	\$15.00
Seminar Only – No Meal	\$10.00
